All About The YLL

The Youth Lacrosse League is an inclusive club-based Youth Lacrosse League that serves 2nd-6th Grade teams (this year our teams range from 2032 to 2028).

We provide opportunities throughout the year for club teams to play each other and move up/down the standings. At the end of the summer, the YLL Championship Tournament seeds teams from around the country to play for a grade-level trophy.

We serve all 2nd-6th grade club teams and are not exclusive. Any team can apply and join the YLL through our registration process.

Problems

Youth lacrosse is growing, and as more and more teams are formed and start playing at younger ages, the problems persist. Expensive tourneys in the Fall and Spring/Summer. Regional games that don't have any meaning and aren't counted. And, playing in tourneys where you don't know if your level of play will work with the other teams. We created the YLL to solve each of these problems in a simple way.

Expensive Tourneys

We all know the feeling of signing up for another expensive one day tourney in the fall or late spring. The YLL solves this by making affordable regional playdays available around the country (just pay field and ref costs).

Meaningless Games

Almost every club program in the USA plays scrimmages and games regionally that do not count for anything. The YLL provides a league approach so all regional games count for standings and lead to seedings in the national YLL Tournament.

Compete At Your Level

We've all experienced playing in a tournament that we may have won every game by 10 goals or lost every game by that much! The regional games allow the YLL to create brackets at the National tournament that have each team competing in games at their level.

How It Works

1: Apply by Sep 1st

Club teams in Grades 2nd-6th apply to join the YLL. We are looking for six teams in each region at each grade level.

3. GAMES

Regional games are played in the Fall (2021) and Spring/Early Summer (2022). Standings and game results will be posted on YouthLacrosseLeague.com

Costs: \$500 Fall Play Day
\$500 Spring/Summer Play Day

\$1800 July 18/19 Tourney

2: Regional Schedule

Teams and YLL Directors get together to plan the regional games schedule by October 1st

4. YLL Championship

On July 18th and 19th (2022) teams will come to Frederica, DE from around the country to compete in the YLL Championship. Brackets will be created based on the YLL Season results and standings. Each grade level will crown an AA and A champion.
